

PREMIUM SIGN

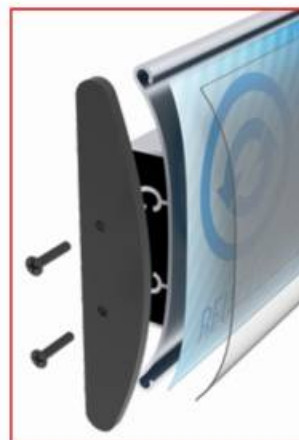

Wall, Flag Type, Desk

Code depends on the selected product.

WHAT ARE PREMIUM SIGNS?

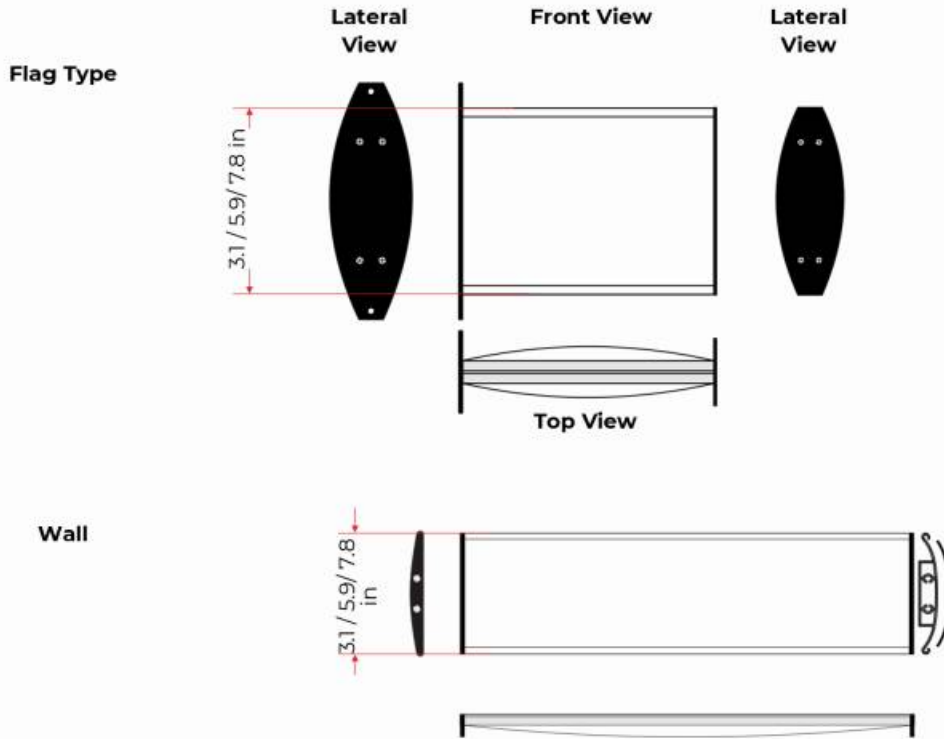

- High profile, elegant and great quality signs that can be used in indoors and outdoors.
- Signs with curved front.
- Designs may vary, wall, flag type or desk. Composed with natural, anodized, satin, curved and extruded aluminium.
- Frames accept any flexible film by digital printing or sign, in addition, can be suitable to add photo-luminescence, helping signs to be seen without light.
- Anti glare covers available in matt or bright finish.
- 2 lateral covers of black polyethylene set with screws or 2 boomerang type covers for the desk type.
- Quick and easy attachment, includes 2 boreholes to install (wall type).
- Can be easily placed in any surface as walls, doors.
- This innovation allows a quick set and detachment for any necessary maintenance or changes, in other words, sign can be modified without taking off the signage.
- Due its fine and excellent quality can be ensured a prolonged life span due it doesn't rusts.
- Depending on the surface, can use screw and anchor for a solid wall, toggle bolt for fake ceiling, and for glass doors fastening can be with double-sided tape.
